

GRAYSHOTT HERITAGE  
NEWSLETTER no. GH 13.

The committee would like to take this opportunity to thank everybody for their support in the past year and to wish you all a very Happy Christmas and New Year .

Friends Evenings.

The Friends evening held at the Village Hall on October 22nd was well attended by just over 70 people , the raffle and catering again has proved to be very successful as was the bar provided by Lauren and friends from the Fox and Pelican. For the first time we included a display of items which was found to be of great interest to compliment the evenings theme of Grayshott and World War One.

Friends evenings for 2019 , there will be more confirmed information in the next Newsletter but we hope there will be two spring / summer meetings and one in the autumn as follows: Tuesday 7th May - Grayshott Heritage quiz evening at the Fox and Pelican ; date to follow - a visit to Huntington House, one of the substantial original local houses and grounds, now restored ; Tuesday October 22nd at the Village Hall - Grayshott in 1939.

G.H. Committee .

We are pleased to announce that Liz Cross has come forward to assist with some of the secretarial duties and join our committee and we look forward to having some new input .

Huntington House .

Following discussions we have agreed to become involved with the owners of Huntington House and in return for some very useful financial backing and making available for a 'Friends ' visit. To provide for the residents afternoon talks on local history , produced a booklet on the history of the house and original owners the Jackson family and as weather permits to take vehicles along from the world of motoring history for all to see. We feel that it is of mutual advantage that local history can be put to good use in this way.

Web site.

Please take time to look at our web site , there is often news and new items of interest to look at. Also of course we will be most pleased to receive any offers of articles and other suitable news, finds etc. that can be included.

Hampshire Records Office.

Unfortunately Matthew Goodwin who had organised the annual forum at Winchester has moved on to a new post in the Midlands so it seems that this very useful meeting where all the local organizations like ours had chance to get together will not take place in 2019.

Future Walks.

It is hoped that in the Spring / Summer 2019 there will be a new walk around the village centre , the old hamlet and in connection with the open gardens weekend to look at some of the more interesting trees around the village.
