GRAYSHOTT HERITAGE NEWSLETTER (March 2023)

Welcome to our Spring Newsletter, despite quite a lot of rain recently there are many encouraging signs of spring around the village. Our first event of the year is our Spring Friends' Evening and we really look forward to seeing as many of you as possible there.

SPRING FRIENDS' EVENING – TUESDAY 16TH MAY 2023: Our spring Friends' Evening at the Village Hall is fast approaching. There will be the regular format of table seating, refreshments, raffle, and socialising, with complimentary wine and soft drinks served with the refreshments. Doors will open at 7pm and proceedings commence at 7:30.

We will have a talk from John on the history of Grayshott Hall, and Richard will be the presenter for our ever-popular 'Have I Got News For You' feature. As always, entry is free for Friends. Guests are very welcome, from whom we ask a donation of £5 towards our costs.

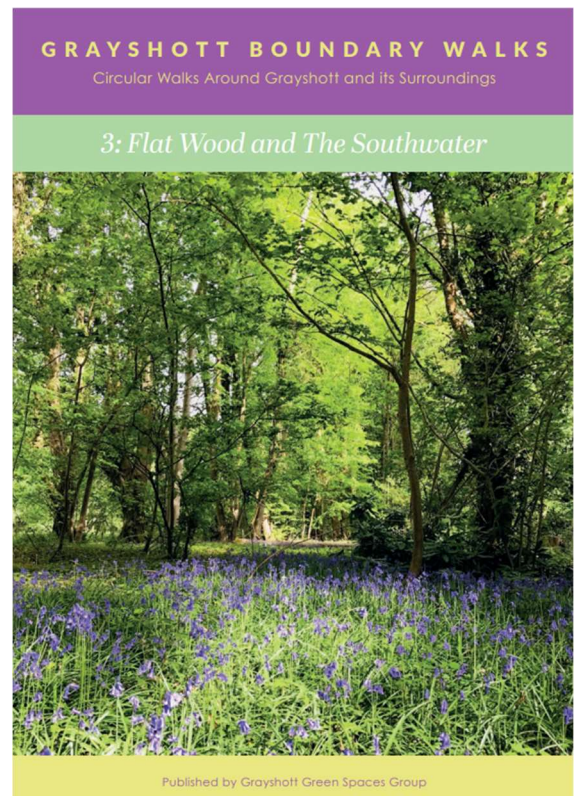

We'll have the display tables out so please do bring along anything at all that you think people will be interested in – local history, crafts, family history, general old clutter etc, etc.... We would particularly be interested in any memorabilia or pictures concerning Grayshott Hall.

BOUNDARY WALK No. 3: A new walk for spring – the third boundary walk in the series has just been published and is available in Business Connections and other village outlets and will also be available at our May Friends evening. It is through Flat Wood and Southwater from Applegarth Meadow and explores the original medieval farming hamlet. There is also a link to a PDF copy at the bottom of the Grayshott Parish Council walks page: [Attractions and Walks – Grayshott Parish Council \(grayshott-pc.gov.uk\)](https://www.grayshott-pc.gov.uk/attractions-and-walks)

Previous issues: walk brochures number 1 and 2 are now in short supply. If any Friend would like one please email John or reply to this email ASAP. We will then arrange delivery or collection or we can hold them until the Friends' Evening.

OUR NEW COMMITTEE MEMBER: I am sure most of you already know Keith Cox at Business Connections and we are

really pleased that he has agreed to join us on the Grayshott Heritage Committee. You have probably noticed the Grayshott Heritage board outside of Business Connections and it will now be possible to join Grayshott Heritage at the shop. He will also accept your subscription renewal envelopes.

SUBSCRIPTION RENEWALS: We will be delivering subscription renewal letters in the next couple of weeks we really hope you will renew your membership or join if you are not yet a member. Please follow the instructions in the letter and then either return your completed envelope to Liz Cross or bring your envelope to the May meeting, alternatively you can drop your envelope off with Keith Cox at Business Connections.
